

Taxis and Public Transportation:

Getting to Reflex Lighting from Logan Airport or South Station is easily done by taking a taxi or the Massachusetts Bay Transit Authority's (MBTA) subway or bus services. Ample taxis are available at both Logan Airport and South Station.

- If you choose to take public transportation, the MBTA Silver Line Rapid Transit Service bus SL1 route circles all terminals at Logan Airport and takes passengers to South Station.
- From South Station take the SL2 route bus, and get off at the Northern Avenue – Tide Street. Take a Left onto Tide Street End at 7 Tide Street. Boston MA 02210-2413- 617-269-4510
